

Ohio Virtual Academy

Parent Compact

The purpose of this Parent Compact is to set expectations for Ohio Virtual Academy (OHVA) parents. Your child's educational success, a primary goal of OHVA, can only be achieved if you understand your key role in following the curricular and attendance requirements below.

- I believe that my student has the ability to grow academically.
- My role, which is vital for my student's academic achievement, is valued and respected among administrators and teachers at OHVA.
- I will abide by OHVA's policies and procedures as outlined in the OHVA Parent Handbook.
- I will maintain continuous Internet service and make sure my student has daily access to participate in the school.
- I understand that the Ohio Virtual Academy program includes the **K12 curriculum, Study Island, varied assessments, Class Connects, and other instructional tools, specific to my student's academic requirements.** I will actively supervise my student while participating in the OHVA academic program. Learning Coach guidance is essential for students in the K-8 program and also needed on a regular basis in high school.
- My student is enrolled in a public school and must meet the state attendance requirements. Students in grades 1 -12 require 920 hours, and kindergarten students require 460 hours per year. To reach my student's academic goals, average daily attendance may range from 3 hours (kindergarten) to 8 hours (5th grade through high school).
- I am responsible to accurately record attendance and progress daily in my student's Online School to reflect online and offline school work. Insufficient hours recorded in the system over time is a truancy issue and could result in my student's removal from OHVA.
- My student will participate in **all required state achievement and diagnostic testing.** It is my responsibility to provide transportation to and from the test site(s). Testing dates are determined by the Ohio Department of Education (ODE).
- I will actively engage with OHVA staff by participating in conferences, reading K-Mail on a daily basis, submitting portfolio samples, and attending face-to-face (F2F) activities throughout the year, including state testing. If I have designated another person to act as Learning Coach for my student, I will conference jointly with the Learning Coach and OHVA teacher(s).
- I will work with and treat staff members professionally, understanding that staff must follow set schedules and policies.
- **Failure to follow the school's program requirements may result in my student's removal from Ohio Virtual Academy.**
