Parent Notice of Right to Know Student Achievement

Dear Parent/Guardian:

One of the key goals of Ohio Virtual Academy is to see your child grow academically this year, and in years to come. In OHVA's academic program, your student participates in assessments, Class Connect sessions, and works through daily assignments to grow academically. In addition, most students participate in state testing as well. These components provide valuable information that you need to know in order to support your student for academic achievement.

We want to inform you that you have the right to inquire about how your student is progressing and achieving at any time. The varied assessments and tools we use in OHVA are provided as a purposeful plan for your student's achievement.

Contact your homeroom teacher to discuss your student's

- State Test scores
- Study Island Benchmark results/USA Test Prep results
- Scantron Performance results/AIMSWeb results
- Individualized Learning Plan (ILP)

We invite you to conference with your teacher and together create a plan for your student's success. Take full advantage of all of the information and tools that OHVA has to offer for your student's achievement.

Partnering with you,

Kristin Stewart Ph.D.

Ohio Virtual Academy
Senior Head of School
